Kansa Wand Massage

Kansa Wand Massage

THIS ANCIENT INDIAN FACIAL MASSAGE TOOL IS FINDING RENEWED POPULARITY RIGHT NOW

Kansa massage is Ayurveda's answer to jade rolling and gua sha – and it's about to be in high demand!

Beauty and massage enthusiasts are turning back the clock in a whole new way, by rediscovering and revitalizing centuries-old skin-care practices.

Ancient health and wellness rituals are gaining renewed interest.

The Kansa wand, a massage device made of wood and Kansa metal, is designed to balance your doshas, chakras and skin's pH level.

This therapy recognises three doshas, or energy types in our bodies. It takes a holistic approach to health, promoting daily maintenance of the mind, body and soul in order to balance the doshas.
